CALL FOR WORKSHOPS

Steering Committee

Seong-Whan Lee, South Korea
Cheng-Lin Liu, China
Umapada Pal, India
Tieniu Tan, China
Yasushi Yagi, Japan

General Chairs

Alan Wee-Chung Liew, Australia
Cheng-Lin Liu, China
Dacheng Tao, Singapore

Program Chairs

Brian Lovell, Australia
Ran He, China
Christian, South Korea

Organizing Chairs

Alireza Alaei, Australia
Anwaar Ul-Haq, Australia
Partha Pratim Roy, India
Yanming Zhu, Australia

Publicity Chairs

Umapada Pal, India
Yuta Nakashima, Japan
Unsang Park, South Korea
Shijian Lu, Singapore
Brendan Mccane, New Zealand

Workshop Chairs

Xiao Bai, China
Lihong Zheng, Australia
Xiaoyi Jiang, Germany
Reza Ghanbarzadeh, Australia

Tutorial Chairs

Vinh Bui, Australia
Venu Govindaraju, USA
Mohammed Awrangeb, Australia
Can Wang, Australia

Sponsorship Chairs

Michael Blumenstien, Sydney

Awards Committee Chair

Jun Zhou, Australia

Publications Chairs

Haifeng Shen, Australia
Fahimeh Alaei, Australia
Prithwi Chakraborty, Australia

Finance Chair

Tony Adriaansen, Australia

The 8th Asian Conference on Pattern Recognition (ACPR 2025) Organizing Committee invites proposals for workshops in conjunction with the main conference, which will be held on the stunning Gold Coast of Australia, from November 10 to 13, 2025. We welcome workshop proposals, which cover topics related to the ACPR 2025 theme at introductory or advanced levels to complement the main conference program. For ACPR 2025, the conference theme is “**Advancing Pattern Recognition: Bridging the Gap Between Theory and Real-World Applications**”. The goal of the workshops is to foster collaboration between researchers, practitioners, and industry leaders by exploring the foundational algorithms and models in pattern recognition to the innovative ways they’re being applied across industries like disaster management and climate change (flood, bushfire, infrastructure, etc.). The workshops can be organized as either half-day (preferred) or full-day events. Workshop papers will be published online on the conference website.

Note: proposals that focus exclusively on commercial presentations are not acceptable.

Guideline for Submitting Workshop Proposals

To propose a workshop, a PDF file containing the information outlined below must be submitted by email to acpr2025.workshops@gmail.com.

The proposal should contain the following information:

- Proposed workshop title
- Abstract of the workshop (300- 500 words) outlining the objectives, scope, contribution to the main conference, and expected outcomes
- Names, titles, affiliations, emails, and brief biography of the workshop organizers
- Proposed workshop structure, preference for half- or full-day event (the latter requires a brief justification)
- Expected target audience, in terms of composition, skill level and estimated number of attendees
- A description of how this proposal relates to workshops appearing at previous ACPR or other major related conferences (such as ICPR and ICDAR) within the last two editions
- A description of the list of planned materials or resources to be required

Proposal Assessment

Each proposal will be assessed based on its scientific merit, proposed structure, overall relevance, and how it complements the main conference.

Important Dates (UTC time - 23:59:59)

- Workshops proposal due: **June 15, 2025**
- Notification of acceptance: **July 15, 2025**.

ACPR 2025 will be responsible for:

- Providing a meeting venue with necessary technical equipment and catering services during the lunch and/or coffee breaks;
- Providing staff to help with the on-site/on-line organization;
- Advertising the event on the ACPR website;
- Scheduling the event together with the organizers and including it in the conference program.

Workshop organizers are responsible for:

- Designing the agenda, managing participants, facilitating discussions, arranging materials;
- Overseeing all operational details of workshops at ACPR2025.

Costs and Terms

Workshops are **free for all participants with full ACPR 2025 registration**. If a person wishes to only attend the workshop(s) (without ACPR 2025 full registration), then a workshops-only registration will be available. Participation in workshops is limited to the room capacity. ACPR 2025 participants who wish to attend a workshop should register for it and will be admitted on a first come, first served basis.

ACPR 2025 reserves the right to cancel a workshop if the responsibilities are not fulfilled by the proponent, if too few attendees register for the event, or for any unforeseen reason.
